

THE FREEWHEELER

West Sound Cycling Club

**The next general WSCC meeting is 7 pm
Wednesday March 8**

United Way Kitsap, 647 4th St, Bremerton, WA 98337

Next WSCC Board Meeting is Thursday, April 6.

March Presentation

Paul Dutky will update you on the Dyes Inlet Loop ride planned for June 25, and take you on a Google Earth virtual tour of the July 30th Route Canal route (aka Tour de Kitsap). Its first promotional poster is on the next page. Charlie Michel will share more details regarding our April 13 Eastern Washington club ride.

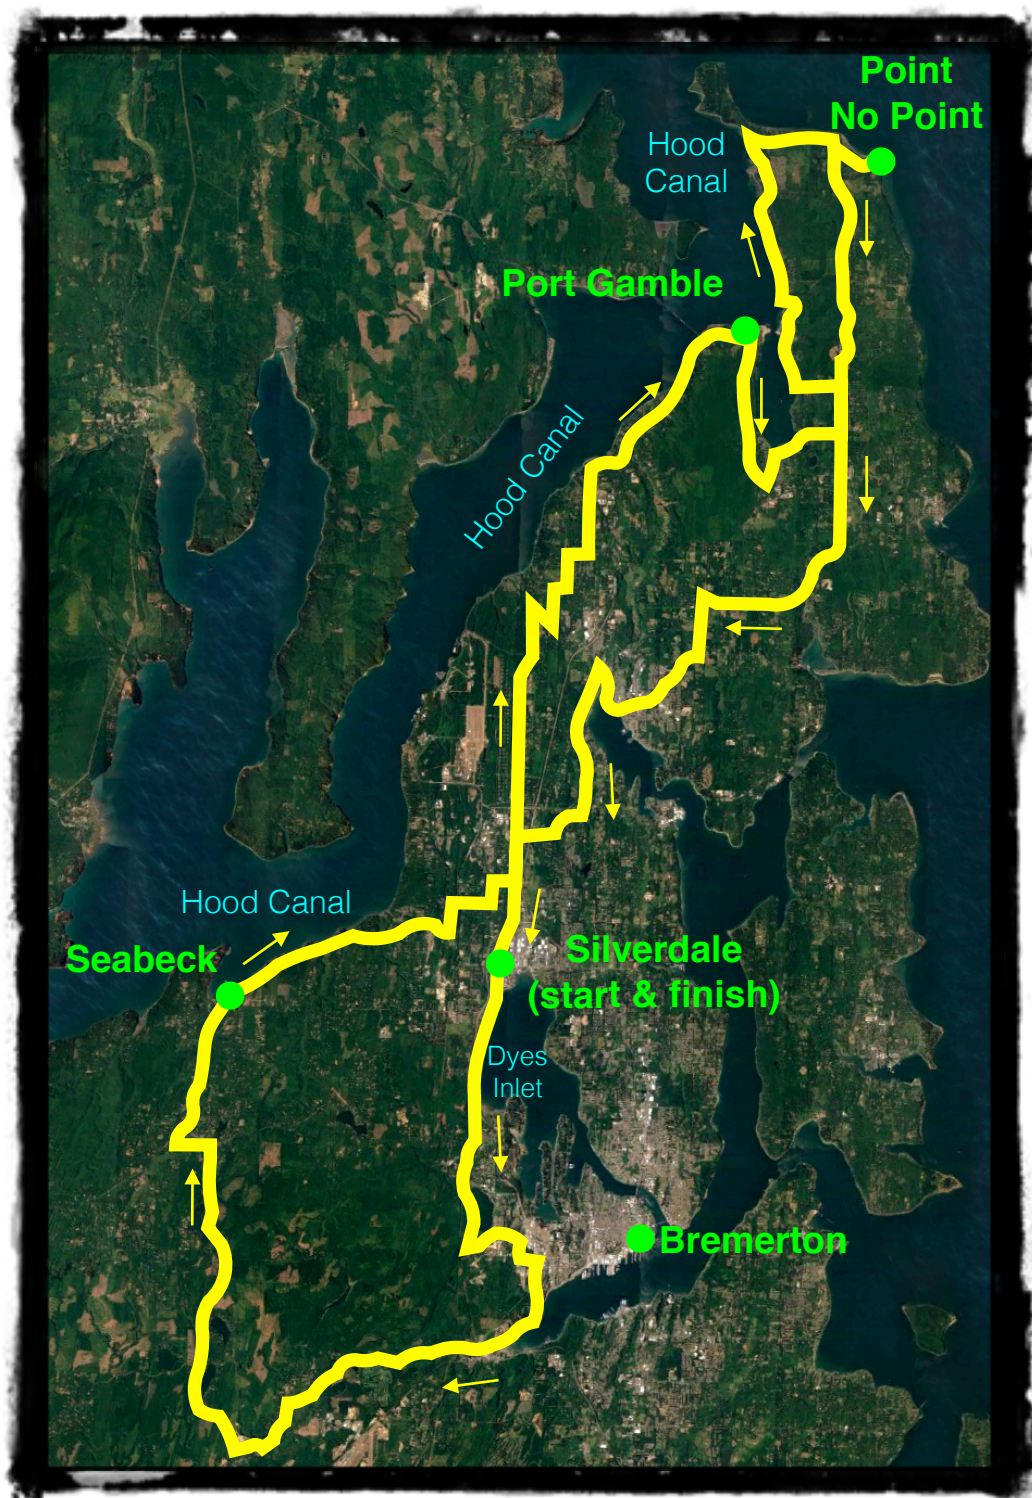

On Thursday March 9, WSCC will present our proposal for a Kitsap Regional Bike Network to the Puget Sound Regional Council. We'll take you on a virtual tour of the proposal, which consists of existing bike facilities (rare in Kitsap), planned facilities, and ***aspirational facilities***. Funding for new facilities is often predicated on being in the PSRC Regional Bike Network plan.

WSCC continues our collaboration with the City of Bremerton. We'll bring one fifteen foot printout of Kitsap Way showing existing problems, and another showing our solutions - using just paint. We hope to orchestrate a meeting between WSDOT, Public Works, and WSCC to see if funding can be found to revise lane markings on Kitsap Way. Your input on all the above is welcomed.

Route Canal Ride*

July 30, 2017

*also known as Tour de Kitsap

100 miles.
6400 ft elevation gain.
Multiple bailout points -
if you need them.
3 rest stops +
on-route support
every 15 miles.

Upcoming Club Rides

Thursday de Caffeinated Ride - Marrowstone Island

Bill Abbey will lead a ride around Marrowstone Island this Thursday, March 9.

Bill says: For many of us, this is a once or twice a year deal. Meet at the Farm Store in Chimacum leaving about 10:30 am. If you wish to carpool, meet at Nelson Park in Poulsbo at 9:00 am. Any extra time will be spent socializing and telling lies.

<https://ridewithgps.com/routes/19410997>

Total distance is about 20-25 miles, reasonably flat. Set your own pace, I will be riding sweep probably at a social pace. No drops. This is a good ride for beginners as it may be shortened. If you want to ride it, but just not at this time of the year, you can save the route link above, or search for it in Ride with GPS.

I hope to see many of you. If we arrive and find it too miserable to ride, we may repair to someplace else to socialize and wait out any temporary weather setback.

Bill Abbey
